5. You have now set-up your Patient Portal

6. Click the 'Book new appointment' button

7. Select the type of Ultrasound scan you want to book

8. Click 'Search' to see all available appointments

The screenshot shows the 'Appointment filters' page in the TOTAL ORTHOPAEDICS system. The left sidebar contains navigation links for Appointments, Medical, and Other. The main content area has a header 'Appointment filters' and a sub-header 'Appointment Type / Appointment Filters'. Below this is a teal bar with the text: 'Please use the filters if you wish to refine your search. If you have no preference, or are looking for the next available appointment, please search'. There are three filter fields: 'Preferred Clinician', 'Preferred Site', and 'Preferred Time & Date', each with a right-pointing arrow. At the bottom, there are three buttons: 'Appointment type', 'Search', and 'Reset'. The 'Search' button is highlighted with a red rectangle, and a red arrow points to it from the right.

9. Select the appointment you want to book from the list

The screenshot shows the 'Results' page in the TOTAL ORTHOPAEDICS system. The left sidebar is the same as in the previous screenshot. The main content area has a header 'Results' and a sub-header 'Appointment Type / Appointment Filters / Search Appointments'. Below this is a blue button labeled 'Change filters'. A list of five appointments is displayed, each with a right-pointing arrow. The entire list area is highlighted with a red rectangle. The appointments are:
